

- ▶ “I GAIVE” is GAI’s corporate flag for giving—an acknowledgement of a generous and caring team spirit. This employee-driven initiative was sparked by a special class project under GAI’s Leadership Development program.
- ▶ GAI employees give from the heart year-round. Whether a “Pass it Forward” act of kindness in their immediate community, or a compassion for others wherever they may be, giving is part of our corporate culture.
- ▶ That we “make a difference” is more than client-speak at GAI—it defines our corporate family.
